

Longmont Public Media, a nonprofit media makerspace and Longmont's public access TV provider, is seeking a dynamic, enthusiastic, creative, and knowledgeable video producer/editor intern. Visit [www.longmontpublicmedia.org](http://www.longmontpublicmedia.org) to learn more about Longmont Public Media.

**Internship Title:** Video Producer/Editor

**Hours/Schedule:** 8-10 hours per week, 2 days a week

**Start Date:** June 3, 2024 **End Date:** August 9, 2024

**Application Deadline:** May 10, 2024

**Internship Overview:** As a Video Producer/Editor intern for Longmont Public Media (LPM), Final\_LPM Video Producer\_Editor Job Description (2) you will be responsible for producing and editing content for LPM, its members, and its clients. This is an unpaid internship.

**What you'll do:**

- Perform a variety of tasks related to pre-production, production, and post-production (i.e. create rough and final cuts, review shooting script and raw material, ensure logical sequencing, trim footage segments and put together the sequence of the film, etc.)
- Utilize and organize a variety of equipment and tools associated with video and/or television production activities.
- Assist the Executive Producer in producing Longmont Public Media specific programming, including live and pre-recorded shows.
- Attend regular production meetings to go over current or upcoming content.
- Work closely with LPM members and volunteers to assist in the creation of content.
- Assist in producing and editing videos, shows, and other pro-services work for LPM.
- Work with the Executive Producer to film videos on set or on location (i.e. remote and/or in-studio); ensure equipment for a shoot is present and working; plan the shoot with the client; edit footage in post-production.
- Keep up to date with video production tools, technology, and trends.

**What you need:**

- Strong written, verbal, and interpersonal skills.
- Experience as a video producer and/or television production environments performing all aspects of video production such as editing, writing, and shooting.
- Some post-production knowledge including motion graphics, sound mixing, keying, and color correction.
- Experience working in Adobe Creative Cloud applications (i.e. Premiere, After Effects, Photoshop, Illustrator, etc.), or other video editing software (i.e. Davinci Resolve, Final Cut Pro, etc).
- Hard-working and team oriented.
- Comfortable learning new technologies and platforms and contributing to workflow improvements.

**Benefits:**

- Practical experience with video production and editing, develop and refine your skills, and test techniques learned in the classroom before entering the working world.
- Shadowing, mentoring, and training opportunities with experienced knowledgeable professionals.
- Opportunity to participate in networking events, company meetings, and company production shoots.
- Flexible schedule for students.

**Interested Candidates:**

Please complete this [Interest Form](#) and someone from the WBL team will contact you regarding next steps.
